RE: Approval of FY2008 STAA Petitions

DATE: October 3, 2007

The Center for School Improvement and Performance has received petitions from Indiana school corporations for loans from the School Technology Advancement Account (STAA). Attached is a list of the petitioners and the respective amounts for which we are requesting approval on October 4, 2007. The rate for these FY2008 loans has been set by the State Board of Finance at one percent (1%).

Center recommendation: APPROVE PETITIONS
